EDUCATION

- M.S. in Information Studies, 2003, The University of Texas at Austin
- Ph.D. in English, 1998, University of California, Davis
- M.A. in English, 1994, University of California, Davis
- B.A. (Highest Honors), 1990, New Mexico State University, Las Cruces

PROFESSIONAL EXPERIENCE

- Consultant, dcplumer associates, L.L.C., 2012 – present
 - Offer consulting services including grantwriting, project management, and meeting facilitation to public and academic libraries, archives, and museums. Provide information about copyright and intellectual property issues.
 - Provide technical assistance for metadata migration, web harvesting, and digital asset management system selection and configuration. Develop metadata application profiles based on Dublin Core, METS, PREMIS, and other standards. Configure and support systems including Omeka, ArchivesSpace, and DSpace.
 - Clients include: Houston Public Library; LBJ Presidential Library; Heritage Preservation, Inc.; Oregon State Library
- Adjunct Faculty, College of Information, University of North Texas, Denton, 2013 - present
 - Assisted with development of Digital Curation and Data Management curriculum as part of iCAMP (Information: Curate, Archive, Manage, Preserve) Project funded by a grant from the Institute for Museum and Library Services. Teach graduate-level courses as needed. Courses taught: Digital Curation Tools and Applications, Digital Preservation Planning and Implementation, and Advanced Topics in Digital Curation
- Adjunct Faculty, Department of History, Texas State University, San Marcos, Fall 2014
 - Teach graduate-level classes as needed. Course taught: Digital Public History
- Adjunct Assistant Professor, School of Information, The University of Texas at Austin, 2003 - 2014
 - Teach graduate-level classes as needed. Courses taught include Lifecycle Metadata for Digital Collections, Survey of Digitization, Information Science and Knowledge Systems: Markup and Metadata for Electronic Texts, Information Technologies and the Information Professions.
- R & D Information Management Associate (RESA III), Applied Research Laboratories, The University of Texas at Austin; 2011 – 2012
 - Responsible for researching and implementing Natural Language Processing models to support automated text-based content analysis.
- Program Specialist IV, Texas State Library and Archives Commission; 2005 – 2011
 - Coordinated Texas Heritage Online cooperative statewide digitization program with participants from the library, museum, and archives communities. Consulted with and assisted participants developing digital projects.

- Monitored and participated in the development of standards and guidelines for digital projects, including metadata, interoperability, controlled vocabulary, and preservation. Assisted in development of collaborative grant opportunities and provided technical review and assistance for a statewide grant program, TexTreasures.
- Communicated effectively with participants using a variety of media, including email, blogs, print publications, and both in-person and online presentations. Served as primary investigator for IMLS grants including Connecting to Collections Statewide Planning Grant and Train to Share, an IMLS LB21 Grant.

GRANTS AWARDED

- “Connecting to Collections: Continuing Conversation Exchanges,” 2010, awarded to Texas State Library and Archives Commission by Institute of Museum and Library Services, Laura Bush 21st Century Librarian Program - Continuing Education. Danielle Cunniff Plumer, project developer/grant writer and chair, grant Advisory Committee.
Amount: \$674,270.
- “Train to Share: Interoperability Training for Texas Cultural Institutions,” 2008, awarded to Texas State Library and Archives Commission by Institute of Museum and Library Services, Laura Bush 21st Century Librarian Program - Continuing Education. Danielle Cunniff Plumer, project director.
Amount: \$535,556.
- “Connecting to Collections: Texas Statewide Planning Grant,” 2008, awarded to Texas State Library and Archives Commission by Institute of Museum and Library Services, Connecting to Collections Statewide Planning Grants. Danielle Cunniff Plumer and Laura Casey, co-project directors,
Amount: \$40,000.
